

NORTH CAROLINA AGRICULTURAL & TECHNICAL STATE UNIVERSITY

<http://www.ncat.edu/>

Brief Description

North Carolina Agricultural and Technical (NCA&T) State University is a learner-centered community that develops and preserves intellectual capital through interdisciplinary learning, discovery, engagement, and operational excellence. A doctoral/research intensive university and a land-grant institution, NCA&T offers degrees at the baccalaureate, master's, and doctoral levels. The University's academic programs are organized into two colleges (College of Engineering and College of Arts and Sciences) and six schools (Agriculture and Environmental Sciences, Business and Economics, Education, Nursing, Technology, and Graduate Studies). To continue its efforts to enhance diversity, the University actively recruits minority students.

History

Established in 1891 as Agricultural and Mechanical College for Negroes. Temporarily located in Raleigh until moved to Greensboro in 1893. Name changed to Agricultural and Technical College of North Carolina in 1915. Master's program began in 1939. Designated a regional university in 1967 and merged into the University of North Carolina in 1972. Doctoral program began in 1993. Designated as high research activity in 2005.

Location

Downtown Greensboro (city population: 225,000; Guilford County population: 424,000), a major city in the piedmont region, serving as a trade and business center.
